FERRI Maurizio

WORK EXPERIENCE

Dates	1991 to Present –Italy
Occupation or position held	Veterinary Officer
Main activities and responsibilities	<ul style="list-style-type: none">- Animal health: surveillance and official controls of farms, supervision of brucellosis and TBC eradication campaign.- Official controls, inspection and audit of approved food establishments (supervision of red meat and white meat slaughterhouses and co-located plants), fish markets, retail shops.- Assessment of HACCP plans in food establishment- Management of TRACES system: electronic certificates, planning of controls over import and trade of animals and certain products of animal origin- Delivering of theoretical and practical training on: zoonosis monitoring system, foodborne diseases, food microbiology, microbiological risk assessment, good hygiene practices and HACCP methodology.
Name and address of employer	Ministry of Health- National Veterinary Service- Local Health Unit of Pescara
Type of business or sector	Veterinary Public Health
Dates	20-25 October 2014-Lebanon
Occupation or position held	Food safety expert
Main activities and responsibilities	Assessment Mission on Food Safety an training
Name and address of employer	Europaid
Type of business or sector	Technical assistance
Dates	July-September 2012-Macedonia
Occupation or position held	Veterinary expert

Main activities and responsibilities	Food safety/animal welfare training
Name and address of employer	Opera srl
Type of business or sector	Technical assistance
Dates	May-June 2011 –St. Petersburg, Russian Federation
Occupation or position held	Food safety expert
Main activities and responsibilities	BTSF- Sustained Training Mission: Workshop on EU food rules and Food import requirement.
Name and address of employer	AETS
Type of business or sector	Technical assistance
Dates	February 2011- Jordan
Occupation or position held	Food safety expert
Main activities and responsibilities	TAIEX Assessment Mission on Food Safety
Name and address of employer	TAIEX
Type of business or sector	Technical assistance
Dates	November 2010-Occupied Territories of Palestine
Occupation or position held	Food safety expert
Main activities and responsibilities	TAIEX Assessment Mission on Sanitary and Phytosanitary Policies to the Occupied Palestinian Territory
Name and address of employer	TAIEX
Type of business or sector	Technical assistance
Dates	April 2010-Albania
Occupation or position held	Food safety expert
Main activities and responsibilities	Expert mission on food producing establishments in Albania.
Name and address of employer	TAIEX
Type of business or sector	Technical assistance
Dates	30 March-3 April 2009- FYR of Macedonia
Occupation or position held	Veterinary expert
Main activities and responsibilities	Expert mission on the preparation of Food and Veterinary Office inspection
Name and address of employer	DG SANCO
Type of business or sector	EU Technical assistance- TAIEX (AGR IND/EXP 32836)
Dates	January 12-21 2009-Albania
Occupation or position held	Veterinary expert
Main activities and	Preparations of Technical Specifications for a Supply Tender procedure

responsibilities	covering technical equipment for the relevant services operating at the Murriqan JBCP in Albania.
Name and address of employer	Hydea Consulting
Type of business or sector	EU Technical assistance- Framework contract
Dates	January to February 2008 - FYR of Macedonia
Occupation or position held	Food safety trainer
Main activities and responsibilities	<ul style="list-style-type: none"> • Delivering of theoretical-practical training on food safety risk assessment and risk management at Regional staff (veterinarians and medical doctors) • Setting up of institutional permanent training program for Veterinary and Food Directorates.
Name and address of employer	Cie Jules VAN LANCKER s.a.- Consortium JVL-R&R-PAN
Type of business or sector	EU technical assistance- EuropAid
Dates	June to November 2007- FYR of Macedonia
Occupation or position held	Food safety capacity building expert
Main activities and responsibilities	<ul style="list-style-type: none"> • Designing and delivering of theoretical-practical training on EU hygiene package, food safety inspection, food safety risk assessment and risk management • Assessing institutional food safety capacity at Veterinary and Food Directorates. • Assess and report on organizational capacity of Food and Veterinary Directorate; • Prepare assessment of the managerial training needs in the beneficiary institutions, identify training groups. • Prepare a training plan for higher, middle and lower level of managers of both Directorates;
Name and address of employer	Cie Jules VAN LANCKER s.a.- Consortium JVL-R&R-PAN
Type of business or sector	EU technical assistance- EuropAid
Dates	March-April 2007-Poland
Occupation or position held	Food safety expert
Main activities and responsibilities	Seminar on EU hygiene package for Polish Veterinary Officers.
Name and address of employer	Polish Ministry of Agriculture-Italian Ministry for Health-IZS Teramo
Type of business or sector	Twinning
Dates	March –April 2006- UN administered Kosovo
Occupation or position held	Food Safety Expert
Main activities and responsibilities	Strengthening of Public Veterinary Services in Kosovo (SPUVESEK) - PHASE 2. Implementation of two modules of training program in meat inspection and hygiene for municipal veterinary inspectors and KVFA Public Health officials.
Name and address of employer	Cie Jules VAN LANCKER s.a.- Consortium JVL-SOFRECO-ARSIA
Type of business or sector	EU technical assistance –Europaid

Dates	03/2005- Slovak Republic
Occupation or position held	Expert on RAFFS and Risk Assessment
Main activities and responsibilities	<ul style="list-style-type: none"> • Delivering of training to 150 food inspectors of MoA and MoH. Aims: <ul style="list-style-type: none"> - to improve the exchange of best practices implemented in other countries. - to enhance the knowledge about EU regulations and EU standards - to provide an overview on RAFFS and Risk Assessment currently implemented in the EU countries.
Name and address of employer	RS-ARPA(Italy)
Type of business or sector	Twinning
Dates	17-30 April 2005- UN administered Kosovo
Occupation or position held	Food Safety Expert
Main activities and responsibilities	Strengthening of Public Veterinary Services in Kosovo (SPUVESEK.- PHASE 2). Activities: <ul style="list-style-type: none"> • assist the team leader in the inception phase; • evaluate the current situation of Kosovo regarding Food Safety system; • summarise achievements of the previous team; • propose a plan of intervention for the next two years in terms of target, input and time schedule; • produce a report containing relevant findings, proposals and recommendation to achieve selected goals
Name and address of employer	Cie Jules VAN LANCKER s.a.- Consortium JVL-SOFRECO-ARSIA
Type of business or sector	EU Technical assistance –Europeaid
Dates	02-03/2005- Republic of Armenia
Occupation or position held	Food Safety Legislation expert
Main activities and responsibilities	<ul style="list-style-type: none"> • Assessment of Veterinary legal framework and its management. • Drafting the ToR for the project “Support to the Ministry of Agriculture” in Approximation of Armenian standards/legislation on veterinary and food safety with the EU norms; • Raising the Public awareness on agricultural policy, analysis and introduction of new opportunities and techniques.
Name and address of employer	Agrifor Consult- Belgium
Type of business or sector	EU Technical assistance-TACIS
Dates	01/2002 to 10/2002- Federation of Bosnia and Herzegovina and Republic of Sprska
Occupation or position held	Institutional Building Capacity Expert
Main activities and responsibilities	Technical assistance on implementation of animal (bovine) identification and movement control scheme (AIMCS) <ul style="list-style-type: none"> - Establishment of the operational infrastructure of the AIMCS with related logistical aspects (staff and management) - Definition of the Competent Authority - Setting up of a computerized tracing system for cattle - Designing of passport to record information of movement according to EU regulations
Name and address of employer	IZS Teramo

Type of business or sector	EU Technical assistance-Europeaid
Dates	06/2000 to 10/2000- Slovak Republic
Occupation or position held	Trainer on veterinary legislation
Main activities and responsibilities	Training for Slovak veterinary doctors on implementation of relevant EU food safety legislation in the light of EU integration process of Slovak Republic.
Name and address of employer	Agriconsulting Europe
Type of business or sector	EU Technical assistance
Dates	01/2000 to 02/2000- Rumenia
Occupation or position held	Veterinary laboratory expert
Main activities and responsibilities	Preparation of technical specifications of: - laboratory equipment complying with the EU standards 45001-3 and with accreditation procedures for the diagnosis of list A and B diseases of OIE at central and regional animal health and food laboratories and BIPs. - Equipment for BIP control
Name and address of employer	Hydea Consulting-Budapest-Hungary
Type of business or sector	EU Technical assistance- PHARE
Dates	2000- Preston- UK
Occupation or position held	Veterinary Officer
Main activities and responsibilities	Audits of SRM (Specific Risk Materials), animal health and welfare control at UK slaughterhouses and farms respectively; animal movement control, animal identification and farm registration, epidemiologic investigation of suspect cases of BSE.
Name and address of employer	State Veterinary Service-Animal Health Office-Preston-UK
Type of business or sector	Government
Dates	1999-2000-Manchester -UK
Occupation or position held	Detached duty as fulltime and permanent employee in the capacity of OVS
Main activities and responsibilities	Official supervision carried out at UK red/poultry meat processing plants; ante and post-mortem inspection, animal welfare, by products; GHP.
Name and address of employer	Meat Hygiene Service-UK
Type of business or sector	Government
Dates	1990-1991- Pescara- Italy
Occupation or position held	Assistant Veterinarian
Main activities and responsibilities	Activities carried out at serology, diagnostics and food microbiology veterinary laboratories.
Name and address of employer	IZS Teramo-Italy
Type of business or sector	Government
Dates	1989-1990- Pescara- Italy

Occupation or position held	Voluntary Assistant Veterinarian
Main activities and responsibilities	Activities carried out at serology, diagnostics and food microbiology laboratories. Testing of specimens for viral and bacterial agent of food producing animal diseases.
Name and address of employer	IZS Teramo
Type of business or sector	Government
Dates	1986-1990- Pescara-Italy
Occupation or position held	Contract veterinarian
Main activities and responsibilities	Brucellosis, tuberculosis, leucosis eradication campaign, vaccination program against Foot and Mouth Diseases and prophylaxis of hydatidosis-echinococcosis
Name and address of employer	Local Health Unit of Pescara
Type of business or sector	Government

EDUCATION AND TRAINING (most relevant)

Dates	October 2010. Parma (Italy)
Title of qualification awarded	Certificate
Principal subjects/Occupational skills covered	EFSA Scientific colloquium on: Emerging risks in food from identification to communication.
Name and type of organisation providing education and training	EFSA
Level in national or international classification	International
Dates	19-20 February 2009- Berlin (Germany))
Title of qualification awarded	Certificate
Principal subjects/Occupational skills covered	Work Parckage 24- Campylobacter risk assessment towards a EU consensus framework
Name and type of organisation providing education and training	Berlin- Federal Institute for Risk Assessment
Level in national or international classification	International
Dates	4-5 December 2008- Parma (Italy)
Title of qualification awarded	Certificate
Principal subjects/Occupational skills	Scientific colloquium on: Assessing health benefits of controlling Campylobacter in the food Chain.

covered	
Name and type of organisation providing education and training	EFSA
Level in national or international classification	International
Dates	May 2008- Pescara-Italy
Title of qualification awarded	Auditor certificate
Principal subjects/Occupational skills covered	UNI EN ISO 19011:2003, and UNI EN ISO ISO 22000:2005
Name and type of organisation providing education and training	SGS- Local Health Unit of Pescara-Italy
Level in national or international classification	National
Dates	July 2008- Marlyand-USA
Title of qualification awarded	Certificate
Principal subjects/Occupational skills covered	Residential course on Quantitative Risk Assessment: probabilistic methods and building model.
Name and type of organisation providing education and training	University of Maryland JIFSAN (USA).
Level in national or international classification	International
Dates	December 2007-January 2008
Title of qualification awarded	Certificate
Principal subjects/Occupational skills covered	Online course on Quantitative Risk Assessment: probabilistic methods and building model.
Name and type of organisation providing education and training	University of Maryland JIFSAN (USA)
Level in national or international classification	International
Dates	June 18-22 2007- Giulianova (Italy)
Title of qualification awarded	Certificate
Principal subjects/Occupational skills covered	Training Courses on Monitoring and Controls of Zoonoses and Applying Microbiological Criteria in Foodstuffs
Name and type of organisation providing education and training	Better Training For Safer Food- SANCO

Level in national or international classification	International
Dates	1-2 December 2007-Parma (Italy)
Title of qualification awarded	Certificate
Principal subjects/Occupational skills covered	Scientific colloquium on: risk-benefit analysis of food
Name and type of organisation providing education and training	EFSA-Parma-Italy
Level in national or international classification	International
Dates	25-26 January 2007- Copenhagen-Denmark
Title of qualification awarded	Certificate
Principal subjects/Occupational skills covered	General Workshop WP 24 on Campylobacter quantitative risk assessment
Name and type of organisation providing education and training	National Food Institute
Level in national or international classification	International
Dates	13-14 July 2006- Parma (Italy)
Title of qualification awarded	Certificate
Principal subjects/Occupational skills covered	Scientific Colloquium on risk-benefit of analysis of food ". Methods and approaches..EFSA. Parma
Name and type of organisation providing education and training	EFSA
Level in national or international classification	International
Dates	22 July 2006-Pescara (Italy)
Title of qualification awarded	Certificate
Principal subjects/Occupational skills covered	Course on management of veterinary emergency
Name and type of organisation providing education and training	Faculty of Veterinary Medicine of Teramo- Italy
Level in national or international classification	National
Dates	May 2006-Pescara (Italy)

Title of qualification awarded	Certificate
Principal subjects/Occupational skills covered	Epidemiology: training course on Epiinfo software.
Name and type of organisation providing education and training	Department of Prevention - AUSL Pescara; National Health Institute – Rome-Italy
Level in national or international classification	National
Dates	December 2005-Parma (Italy)
Title of qualification awarded	Certificate
Principal subjects/Occupational skills covered	Scientific Colloquium on Principles of Risk Assessment of Food producing Animals: current and future approach.
Name and type of organisation providing education and training	EFSA -Parma, Italy.
Level in national or international classification	International
Dates	26-28 June 2005- Dubrovnik (Croatia)
Title of qualification awarded	Certificate
Principal subjects/Occupational skills covered	Workshop on Microbiological risk assessment
Name and type of organisation providing education and training	COST 920, WG 3
Level in national or international classification	International
Dates	15-18 September 2004- Rome (Italy)
Title of qualification awarded	Certificate
Principal subjects/Occupational skills covered	Course on Veterinary surveillance
Name and type of organisation providing education and training	National Health Institute – Rome-Italy
Level in national or international classification	National
Dates	3-14 May 2005 –Rome (Italy)
Title of qualification awarded	Certificate
Principal subjects/Occupational skills	Practical training on Epidemiology

covered	
Name and type of organisation providing education and training	National Health Institute – Rome-Italy
Level in national or international classification	National
Dates	11 February 2003- Atlanta (USA)
Title of qualification awarded	Certificate
Principal subjects/Occupational skills covered	Monitoring of antimicrobial resistance and antimicrobial usage in humans, food, and animals in Norway” and “The Norwegian action plan against <i>Campylobacter</i> in broilers “ .
Name and type of organisation providing education and training	Center for Disease Control of Atlanta (CDC). USA
Level in national or international classification	International
Dates	5-7, 16-19 January 1999- North Somerset. Bristol. (UK)
Title of qualification awarded	Certificate
Principal subjects/Occupational skills covered	Refresher Training Course on Meat Hygiene
Name and type of organisation providing education and training	Langford Continuing Education Unit. School of Veterinary Science.
Level in national or international classification	International
Dates	1995-98
Title of qualification awarded	Specialty degree
Principal subjects/Occupational skills covered	Inspection of Foods of Animal Origin.
Name and type of organisation providing education and training	University of Turin, School of Veterinary Medicine- Turin, Italy.
Level in national or international classification	National
Dates	1990-1992
Title of qualification awarded	Specialty degree
Principal subjects/Occupational skills	Physiopathology of Animal Reproduction

Name and type of organisation providing education and training	University of Naples. School of Veterinary Medicine- Naples, Italy
Level in national or international classification	National
dates	1979-1985
Title of qualification awarded	Degree in Veterinary Medicine
Principal subjects/Occupational skills covered	Veterinary Medicine
Name and type of organisation providing education and training	University of Bologna, School of Veterinary Medicine- Bologna, Italy
Level in national or international classification	n/a

PERSONAL SKILLS

Mother tongue(s) Italian

Communication skills

My personal attitude in creating new relationships facilitates the positive interacting with colleagues and beneficiaries. During the delivering of training to veterinarians, food business operator and consumers, I dealt with social and communication issues, particularly with the work undertaken in foreign countries. In the course of several missions in the Balkan countries, I learned a great deal about how to interact in new social contexts, to communicate in a foreign language, to work in a team. In particular the work experience in the multicultural environment represented a professional challenge that helped me to manage the pressure and to better adapt to new environments.

Organisational/managerial skills

By supervising team work in Italy and UK and attending management training courses, I made myself familiar with organizational skills and internal audits carried out as a Veterinary Officer. During EU technical assistance projects, I also addressed project management, in particular timetables of project activities budgets and logistics, organization and use of available human resources, staff coordination, and reporting.

Computer skills

Good understanding and command of Microsoft Office tools (Word, Excel, Powerpoint). Familiar with the softwares @Risk, for the Monte Carlo simulations used in quantitative risk assessment, Precision Tree and Epinfo.

Job-related skills

As veterinary expert involved in EU funded programs, the main focus of capacity of concerned beneficiaries, mainly Ministry of Agriculture and Veterinary services. The related activities were: assistance in implementation of acquis communautaire; (Chapter 12); coordination with partners and donors. Moreover I develop skills on assessment of needs and gap analysis for food safety official control system (inspection and audit) complying with EU standard; animal welfare; zoonosis monitoring system; training and seminars on EU agricultural-food safety policy. Practical knowledge achieved on EU policy and legislation on animal health, animal welfare and food safety), with special focus on risk assessment methodologies in food safety and animal health. New research area include use of informatics tool for food safety work was on building food safety (data mining, network analysis).

Other skills

Good understanding of Quantitative Microbiological Risk Assessment and food supply chain dynamics and related risks

Driving licence(s)

Holding category B driving licence.

ADDITIONAL INFORMATION

- Successful candidate of EU open competition for Administrator A7/A6 of European Commission. Listed in the EU Commission reserve list. Category II. FVO-Audit-evaluation and inspection.
- National expert to assist FVO mission in Italy
